# More about the Education and Skills Commission

---

A top team of national education and skills experts has started to work in the borough.

## **What are they doing?**

They are looking at how to make sure young people in Doncaster have the skills, abilities and qualifications needed to get future jobs being created across the borough and they need your help.

## **What can you do?**

The commissioners want to hear from parents and young people in Doncaster. So this is a chance for you to have your say. You can tell the Commission what you think in a new short survey or email – details will be provided at the end of the presentation.

---

# What do they want to know...

As a young person, we want to hear from you about your hopes, fears, difficulties – and any ideas you might have for the future of Doncaster.

The obstacles that you face and your concerns about future employment - what will help you overcome them.

# What do they want to know...

- About your hopes and dreams
- About the difficulties you face
- About great things to do
- About work experience
- About you
- Anything else you want tell the Commission

# What will happen next?
