

Highfields Primary Academy Sport Premium Report 2016-2017

In 2016/2017 Highfields Primary Academy will receive the fourth year instalment of PE funding. The funding will be used in a variety of ways to further improve and develop teaching and learning across the whole academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competition and aim for sporting excellence. Over the past year we have employed a specialist sports coach through Active Fusion to deliver high quality after school clubs, based on children's interests and up and coming competitions. We believe that these clubs enable children to have positive interactions with a wider group of specialist adults as well as preparing them for competitions.

Year 5 and 6 children have a weekly swimming lesson at Adwick Leisure Centre which is funded from the Sports Premium Grant.

Having already seen impact of the funding from the previous 3 years we hope for this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Learning walks, lesson observations and monitoring by SLT and the PE leader as well as a termly PE report, have identified the following areas to address in PE this year: high quality resources to support the demands of PE, increased awareness of healthy lifestyles, increased quality of warm ups and agility games to build up stamina. Pupils will also have opportunities to participate in competitive events in various locations.

Planned spending, actions and impact 2016-2017

Amount of Primary School Sports Grant Received: £8,415
