Foundation Stage

We had our assembly this week, the children had practiced so hard before, but all the loud voices we had in the classroom had disappeared when we reached the hall! I hope everyone understood what we had been learning as the children had worked well. Thank you for your support. We had a great response to the igloo project, but sadly after standing proud for such a long time it has decided to collapse. I think it must be too hot in our class and it has melted! Our next project is space and the rockets we have seen are brilliant, keep them coming Reception!

Year 2

The children have been rock detectives this week and we have been out in the community finding different sorts of rocks.

Thank you to Mrs Carr for bringing in some live coral for the children to look at.
