<b>Thursday</b>		<b>Commando Joe</b> 3.15 pm - 4.15 pm Yr1 - Yr4

### Foundation Stage

This week we have been encouraging the children to put their words and thoughts into a sentence and try to remember it when writing in their books. We are getting better at recognising our tricky words and using them in our writing. We are trying to remember our doubling and halving Learn Its in Maths and counting one more in groups of objects. This will help us when we are adding groups together. Thank you to Mrs Burgess who has started our igloo, at last, and we are hoping to continue to build it over the next week. Also thank you to everyone who has helped by bringing in empty milk cartons. We could not have done it without you!

### Year 1

Year one have been learning how to multiply numbers in maths this week. We have done this by creating arrays and then counting them all to find out the answer. We have been learning about different graphemes in phonics and highlighting where they are in words and finding out how many different graphemes there are for one phoneme. In Science we have been learning about shadows and exploring how and why shadows are made.

**Monday 23 January**  
**Coffee Morning 8.45 am - 10.30am**  
**in aid of Laura Sheldon**

### Message from Head of Academy

Thank you to Mrs Carr who has created two more fantastic displays for us. If any more parents would like to come and help in school, please get in touch.

Just a reminder that the PTA will be holding a coffee morning on Monday 23 January from 8.45 am – 10.30 am in aid of Laura Sheldon. Please send your child to school with a donation as all classes will have a turn to go and get a bun/cake. All donations of cakes should be taken to the dining hall first thing on Monday morning.

The Education Welfare Officer, Mrs Foulds will hold a drop in session in the dining hall from 8.45 am on 31 January to talk about the importance of school attendance and to offer practical tips regarding how to get your child to school on time. Tea/coffee will be available. Please come and discuss any concerns you have.

A Yr2 parents meeting will be held on Friday 27 January at 1 pm in the Yr2 classroom. This will contain dates and information about the Yr2 SATs and tips on how you can support your child. Please come along with your child.

Finally; thank you to all our parents who supported parents evening.

Mrs L Carlisle - Head of Academy
