

# Year 2

## Autumn 1 2017

### Welcome back Year 2!

Welcome back to school and welcome to year 2! This term we will be looking at the topic 'Bounce'. Bounce focuses on practical curriculum areas; PE and science, but gives us plenty of opportunity for cross-curricular learning. It is a busy term, so please make sure you have a copy of the events calendar and keep up to date with what's going on!

### Important notes:

**Spellings and homework** - please remember that homework and spellings are set on a Friday. Homework is due on Wednesday, with spellings being tested on a Friday.

**Planners** - please remember that these need to be brought into school, daily and any home reading needs to be recorded in them.

**Reading** - Please remember that reading is a crucial life skill. To ensure that this is successful children need to be reading daily, so please support this at home by listening to your child read or reading to them.

**Big Education** - Please note that there is a parent workshop on September 14th to give you information on the development /sex education sessions that will be taking place across the school.
