

Year 3 and 4

Autumn 1 2017

Welcome back Year 3/4

Welcome back to Badger class! This term we will be looking at the topic 'Predators'. So far we have learnt about and dissected owl pellets, and are using our experience of this to write recounts of our experiment.

We have been looking at place value in maths and can estimate and recognise numbers in different representations.

Important notes:

Spellings and homework– please remember that homework and spellings are set on a Friday. Homework is due on the Wednesday, with spellings being tested on the following Friday.

Planners – please remember that these need to be brought into school, daily.

Keeping up to date with news:

Do keep up to date with news from school on the school website and also on our Twitter page:
