

TOPIC WEB – Year EYFS

Once Upon a Time – Autumn 2 Term 2017

Once Upon a Time – This topics allows us to learn more about traditional tales, including fairy stories and castles. We will be learning about festivals, leading up to Christmas. This is a cross-curricular topic, so there are many opportunities to learn across a range of areas, including Creative, Literacy, Maths, Music and more. We will cover all areas of the EYFS curriculum and follow the ideas presented by the children, building on their own knowledge and experiences.
