

TOPIC WEB – Year EYFS

Julia Donaldson Books – Spring 1 Term 2018

The Scarecrows' Wedding – This book allows us to learn more about planning, sequencing, rhyming, and animals. We will be reading about animals and looking at fact and fiction books too. This is a cross-curricular topic, so there are many opportunities to learn across a range of areas, including Creative, Literacy, Maths, Music and more. We will cover all areas of the EYFS curriculum and follow the ideas presented by the children, building on their own knowledge and experiences.
