Dear Parents/Carers,

Nursery to Reception Transition - Monday 14th July

As part of our commitment to ensuring a smooth and supportive transition from Nursery to Reception, we are pleased to invite your child to take part in a Transition Day on Monday 14th July. This important day is designed to help children become familiar with their new classroom environment, staff, routines, and classmates ahead of the new school year in September.

For children currently attending Highfields Primary Nursery, the day will run from 8:30 am until 2:30 pm. During this time, your child will enjoy a range of engaging activities and will be offered a school lunch. However, if you would prefer to provide a packed lunch from home, you are more than welcome to do so.

For children who are new to Highfields Primary Academy, the Transition Day will begin at the slightly later time of 9:30 am. This staggered start allows us to ensure that all children receive the individual attention and support they need to settle in confidently.

The Transition Day is a valuable opportunity for your child to build confidence and begin forming relationships with their peers and staff, helping to reduce any anxiety ahead of September. It also allows us to get to know your child better so that we can plan for a successful and positive start to their Reception journey.

If you have any questions about the day or your child's transition to Reception, please do not hesitate to contact us.

Yours sincerely
