Helping Children in Need

We are delighted to celebrate a truly inspiring act of kindness by one of our wonderful Year 3 pupils. With a heart full of compassion and a desire to help others, they made the incredible decision to donate their hair to the Little Princess Trust — a charity that provides real hair wigs to children and young people who have lost their hair due to cancer treatment or other medical conditions.

They patiently grew their hair for several months to reach the required length for donation. Recently, with great excitement and a little bit of bravery, they had their long hair cut and sent off to the charity. This generous gift will be transformed into a wig that brings comfort and confidence to another child going through a tough time.

To honour this wonderful act of giving, they has been awarded the Community Links Delta Stars Card — a special recognition given to students who go above and beyond in helping others and making a positive impact in the community. It is a well-deserved award for such a thoughtful and selfless act. We are incredibly proud of their generosity, determination, and kind spirit. You have set a wonderful example for your classmates and the academy as a whole.

Green Fingers in Action

This week, our EYFS children have been learning all about how plants grow by planting flower seeds in their very own mini greenhouses — made from recycled plastic milk bottles!

With great excitement, each child filled their bottle with soil and carefully planted their mixture of different flower seeds, learning about what plants need to thrive: sunlight, water, and care. The greenhouses are now placed in our classroom, where the children can observe and water them daily. This hands-on activity has helped the children explore early science concepts, while also encouraging discussions around caring for the environment and reusing materials.

We can't wait to share the progress as the first green shoots appear 🌱🌼

Mrs Oakes

Thank You for Attending Parents' Evening!

We would like to extend a heartfelt thank you to all the parents and carers who attended our Parents' Evening this week. It was a wonderful opportunity to connect, celebrate the progress of our pupils, and discuss how we can continue working together to support each child's learning journey.

Your involvement plays a vital role in your child's education, and we truly appreciate the time you took to meet with our teaching staff. If you were unable to attend this week, we warmly invite you to contact the school office to arrange an alternative appointment with your child's class teacher. We are always happy to ensure every parent has the chance to catch up on their child's progress and next steps.

Thank you once again for your ongoing support.

Mr Williams
